## PRELIMINARY PROGRAM

ORGANIZED BY:

WITH THE COLLABORATION OF:

**1<sup>ST</sup> INTERNATIONAL  
AL AMYLOIDOSIS  
MEETING**  
FOR PATIENTS AND DOCTORS

5-6 July, 2024  
BRUSSELS

**JOIN US**

**IN BRUSSELS!**

The Amyloidosis Alliance is pleased to welcome you to the first International AL Amyloidosis Meeting, which will be held in Brussels on the 5<sup>th</sup> and 6<sup>th</sup> of July 2023.

This two-day program will be an extraordinary opportunity to gain insights into all aspects of AL amyloidosis, with a special focus on managing complications linked to organ involvement. It will also provide occasions for patients and medical doctors to learn from each other's experiences.

On the first day, there will be sessions dedicated to patients, and separate sessions for doctors. The second day will feature joint sessions for both groups.

We hope to meet you in Brussels and wish you an inspiring congress!

**Agnès FARRUGIA, Frank BRIDOUX and Nathalie MEULEMAN**  
*On behalf of the organizing committee*

**REGISTRATION AND INFORMATION:**

## ORGANIZING COMMITTEE

- **Prof. Nathalie MEULEMAN**  
Institut Jules Bordet (HUB),  
Brussels, Belgium
- **Prof. Frank BRIDOUX**  
Centre de référence  
amylose AL, Poitiers, France
- **Jean-Christophe FIDALGO**  
President of the Amyloidosis  
Alliance, France
- **Prof. Stefan SCHÖNLAND**  
Hämatologie, Onkologie und  
Rheumatologie Zentrum für  
Innere Medizin, Heidelberg,  
Germany
- **Agnès FARRUGIA**  
Director of the Amyloidosis  
Alliance, France
- **Prof. Thibaud DAMY**  
Centre de Référence  
des Amyloses Cardiaques,  
Paris, France
- **Prof. Efstathios KASTRITIS**  
National and Kapodistrian  
University of Athens, Greece
- **Prof. Olivier LAIREZ**  
Institut des Maladies  
Métaboliques et  
Cardiovasculaires,  
Toulouse, France
- **Barbara MAZZOLINI**  
Association Française  
contre l’Amylose, France
- **Prof. Monique MINNEMA**  
Academic Medical Center,  
Utrecht, The Netherlands
- **Ben WOLTERING**  
Amyloidosis Alliance,  
The Netherlands

## SCIENTIFIC COMMITTEE

- **Prof. Antoine BONDUE**  
Hôpital Universitaire  
de Bruxelles, Belgium
- **Prof. Frank BRIDOUX**  
Centre de Référence  
Amylose AL, Poitiers, France
- **Prof. Thibaud DAMY**  
Centre de Référence  
des Amyloses Cardiaques,  
Paris, France
- **Agnès FARRUGIA**  
Director of the Amyloidosis  
Alliance, France
- **Dr Simon GIBBS**  
Peter MacCallum Cancer  
Centre, Melbourne, Australia
- **Prof. Ute HEGENBART**  
Amyloïdose Zentrum,  
Universitätsklinikums  
Heidelberg, Germany
- **Prof. Arnaud JACCARD**  
Centre de Référence  
Amylose AL, Limoges, France
- **Prof. Efstathios KASTRITIS**  
National and Kapodistrian  
University of Athens, Greece
- **Prof. Olivier LAIREZ**  
Institut des Maladies  
Métaboliques et  
Cardiovasculaires,  
Toulouse, France
- **Dr Nelson LEUNG**  
Mayo Clinic, Rochester, USA
- **Barbara MAZZOLINI**  
Association Française contre  
l’Amylose, France
- **Prof. Nathalie MEULEMAN**  
Institut Jules Bordet (HUB),  
Brussels, Belgium
- **Prof. Monique MINNEMA**  
Academic Medical Center,  
Utrecht, The Netherlands
- **Prof. Giovanni PALLADINI**  
Amyloidosis Research and  
Treatment Center, Pavia, Italy
- **Dr Virginie PASCAL**  
CHU de Limoges, France
- **Prof. Stefan SCHÖNLAND**  
Hämatologie, Onkologie  
und Rheumatologie Zentrum  
für Innere Medizin,  
Heidelberg, Germany
- **Prof. Christophe SIRAC**  
CHU de Limoges, France
- **Prof. Ben SPRANGERS**  
Ziekenhuis Oost-Limburg,  
Leuven, Belgium
- **Prof. Ashutosh  
WECHALEKAR**  
Royal Free London Foundation  
Trust, Great Britain
- **Ben WOLTERING**  
Amyloidosis Alliance,  
The Netherlands

# DOCTORS CHANNEL

## FRIDAY, JULY 5

**REGISTRATION** - Welcome coffee

---

### INTRODUCTION

---

**SESSION 1 - Latest medical advances in pathophysiology**

- How do fibrils start?
  - How do fibrils grow?
  - How do fibrils disappear?
- 

**SESSION 2 - Supportive care of treatments of involve organs - Part 1**

- Kidney
- Cardiac
- Peripheral nervous system
- Others

Round table

---

Coffee break

---

**SESSION 2 - Supportive care of treatments of involve organs - Part 2**

- Kidney
- Cardiac
- Peripheral nervous system
- Others

Round table

---

Lunch time

---

**SYMPOSIUM - Industry sponsored session**

---

**SESSION 3 - How to assess the response to treatments?**

- Position of ethe assessment of the residual disease
  - Pronostics linked to the specificity of clone?
  - Progress on the pathogenic clone in AL amyloidosis
- 

Coffee break

---

**SESSION 4 - Complex clinical cases**

---

**SYMPOSIUM - Industry sponsored session**

---

End of the first day

---

**DINNER**

# PATIENTS ASSOCIATIONS CHANNEL

## FRIDAY, JULY 5

**REGISTRATION** - Welcome coffee

---

**INTRODUCTION** - Amyloidosis Alliance introduction and actions

---

**SESSION 1** - Diagnosis improvement and 2024 critical point

---

Coffee break

---

**SESSION 2** - Medical care and symptoms treatment

- Kidney
  - Cardiac
  - Peripheral nervous system
  - Others (malnutrition, macroglossia, dysgeusia)
- 

Lunch time

---

**Industry sponsored session**

- 4 presentations of 15 min
- 

**SESSION 3**

- Importance of self-care (physical, mental and emotional wellbeing)
  - Dietetic and environment during the treatment
  - What to think of complementary strategies?
- 

Coffee break

---

**SESSION 4** - Return to normal life after treatment

- Vaccines
  - Travels
  - Food, muscular rehabilitation, sport...
- 

**SESSION 5** - Return to work

---

End of the first day

---

**DINNER**

**SATURDAY, JULY 6**

**DOCTORS  
& PATIENTS  
CHANNEL**

**REGISTRATION** - Welcome coffee

---

**SYMPOSIUM** - Industry sponsored session

---

**FLASHBACK AND 2024 ISA NEWS**

---

Coffee break

---

**SESSION 6 - Treatment complications**

- Causes of mortality
  - How and when to stop treatment?
- 

Lunch time

---

**SYMPOSIUM** - Industry sponsored session

---

**SESSION 7 - Treatments in 2024 and beyond**

- Current treatments available for AL / Latest information
  - Relapse treatment / Adaptation to the patient
  - Ongoing Clinical Trials
  - Position of organ transplantation in 2024
- 

**CONCLUSION**

---

End of the meeting

# 1<sup>ST</sup> INTERNATIONAL AL AMYLOIDOSIS MEETING

FOR PATIENTS AND DOCTORS

5-6 July, 2024  
BRUSSELS

## GENERAL INFORMATION

### VENUE:

nhow Brussels Bloom  
Rue Royale 250  
B - 1210 Brussels  
+32 2 220 66 11
